

Appl. No. 09/713,770
Amdt. dated February 25, 2010
Amendment dated February 25, 2010 after Notice of
Allowance

PATENT

REMARKS/ARGUMENTS

This Amendment is filed pursuant a telephone interview with the Examiner on February 24, 2010. The application improperly claimed priority to U.S. Application No. 60/130,057. Since the application was allowed over the prior art without relying on the priority claim, the removal of the priority claim is believed proper. This Amendment removes the improper priority claim, by deleting reference to such priority claim in the Specification.

Respectfully submitted,

/Stephen F. Jewett/
